The first five snow make-up days will be scheduled at the end of the school year in June. Should there be more than five snow days to be made up, the additional days will be subtracted from the Spring Vacation, starting at the end of that week. Example: sixth make-up day would be April 17, the seventh make-up day would be April 16, etc. High school graduation dates will be determined at the second Board meeting in April. Teachers' last workday is the same as students' last school day.
